Coin Collector To Talk About Money Monday

Cyrus Harold "Cy" Phillips, business development representative of Bank of America, will speak on the history of money before members of the Torrance Kiwanis Club tomorrow evening.

Phillips, who turned a long-time hobby into an avocation, speaks widely throughout Southern California on the historical background of American coinage.

The coin collector presents a special exhibit of coins at virtually all new Bank of America branch openings in Southern California, according to Dr. J. H. Hull, program chairman for the club. A collection was on display here during the recent opening of the Hawthorne Sepulveda bank.

The Kiwanis club meets at 6:30 p.m. each Monday at Capri's.

St. Andrew's Classes Set For All Ages

The religious education program at St. Andrew's Episcopal Church includes study opportunities for all ages. Rev. Hugh R. Percy, rector of the church, reported this week.

Sunday School classes for young people from 2 through the first year of college are included in the program at the 9:15 a.m. family worship service each Sunday at the church at 1432 Engracia.

In addition to this, a study-prayer group meets each Thursday at 10:15 a.m. and provides an excellent devotional and meditative opportunity for all. Prayer for the sick of the parish and Holy Communion follow the Thursday meeting.

A new course of instruction for confirmation is scheduled to begin Sunday, Oct. 11, at 1:30 p.m. for young people and at 2:30 p.m. for adults. Persons previously confirmed will find this an excellent refresher course in churchmanship, the Rev. Father Percy said. He emphasized that anyone interested in the teachings of the Episcopal Church would be welcome at the Sunday afternoon sessions.

District Moose Lodges to Meet At Local Lodge

The Torrance Moose lodge is the scene today of a meeting of the South Central District of the California Moose Assn., attended by officers and delegates representing 13 lodges of the Loyal Order of Moose fraternity in Southern California.

George W. Clay, governor of the Torrance lodge, will call the meeting to order at 1 p.m., and then will introduce Ray Hoffman of Santa Ana, a vice president of the California Moose Assn., the presiding officer. The visiting Moose officials and their wives will be welcomed to Torrance during a breakfast preceding the meeting by Clay and Mrs. Frank Smith, senior regent of the Torrance chapter of the Women of the Moose.

Hoffman will report on the state convention held last week in Oakland, and is expected to announce his appointed officers and committee chairmen for the coming year.
